

Decision tree for cancellations

What to do if you cannot attend an event and how to avoid a 'no show' fee

1. Deadline may vary per event, always check what the deadline is of your event on our website. 2. This is important since some events occur during or shortly after the weekend. Some examples: event on Thursday -> deadline Monday 23.59h // event on Tuesday -> deadline Thursday 23.59h // Event on Saturday, Sunday or Monday -> deadline Wednesday 23.59h; 3. If no one from the waiting list is available, the Board will inform you and you are responsible to find your own replacement
